IPS 2016 announcement

Dear Colleague,

It is our pleasure to announce the 62nd annual meeting of the Israel Physical Society which will take place on

Dec. 25, 2016 at Tel Aviv University.

Our morning keynote speakers will be **Nathan Seiberg** (IAS, Princeton) and **David Weitz** (Harvard).

Further details about the program can be found

This year our meeting will take a special form and will lie at the interface of Physics and Art. We will have musical interludes in the morning and evening sessions as well as an art exhibition by artist Ted Barr who will also speak in the evening session.

The evening session will be opened to the public and will host **Mario Livio** (STScI) as the keynote speaker (who will give a talk based on his bestselling book, . We strongly encourage all of the IPS members to participate in the evening session.

Registration is now open

Abstract submission is open

Important deadlines:

The discount **early bird registration** is **15/11/2016**

Regular registration: **15/12/2016**

Abstract submission: **30/11/2016**

Please **encourage all students and postdocs to register and submit abstracts** and feel free to contact us should you have any further questions.

With a Happy New Year greetings we look forward to seeing you at TAU soon,

The organizing committee.
